

Life Line Homes

Supporting children and youth in need

Life Line Homes partners with churches and Christian organizations to provide timely financial assistance that brings hope, opportunity, and lasting impact.

How We Help

Crisis Intervention

Meeting urgent needs in the lives of children and youth.

Youth Development

Helping young people grow, thrive, and build a stronger future.

Educational Assistance

Removing barriers and opening doors to learning opportunities.

We prioritize grants that directly support individual children and youth, especially new initiatives and short-term needs. Most grants range from several hundred dollars to **\$2,000**.
